

Acrovyn by Design[®] Inspiration Portfolio

Protect your interior walls and fixtures with the complete design freedom of Acrovyn by Design®

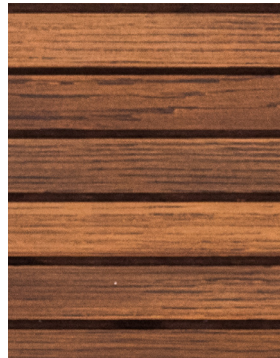

Designers and architects are no longer hitting a brick wall when it comes to stylish interior design that lasts. Acrovyn by Design can be used to transform spaces with customized logos, imagery and more. And, because it serves as a protective shield, the design and the walls will remain beautiful for years to come. Explore the following pages to see inspiring examples of what's possible.

This book offers ideas and inspiration through a wide range of designs for multi-unit brands in the retail and hospitality markets. All designs found in this book are available as samples and guides to support your design vision.

Project Portfolio

Top brands trust Acrovyn by Design® to represent their image and protect walls, columns, and fixtures from damage.

Our team of graphic design experts can assist in the design creation process and work with you to bring your vision to life.

“Your team did a great job **taking our vision and bringing it to life**. You worked with us seamlessly on our feedback and revision requests. I wish the design process was that easy with other vendors.”

A graphic approach to material replication

Bringing each client's brand vision to life

Wood and tile mural in juice and smoothie bar

Dining room walls in a high-traffic QSR

Tile replication for QSR fixtures

Durable and engaging solutions for pet hotel walls

Crafting an inviting environment with graphics

Custom mural with a unique application

Realistic material replication for hospitality environments

Subtle pattern to protect retail cart return

Creating a sense of place

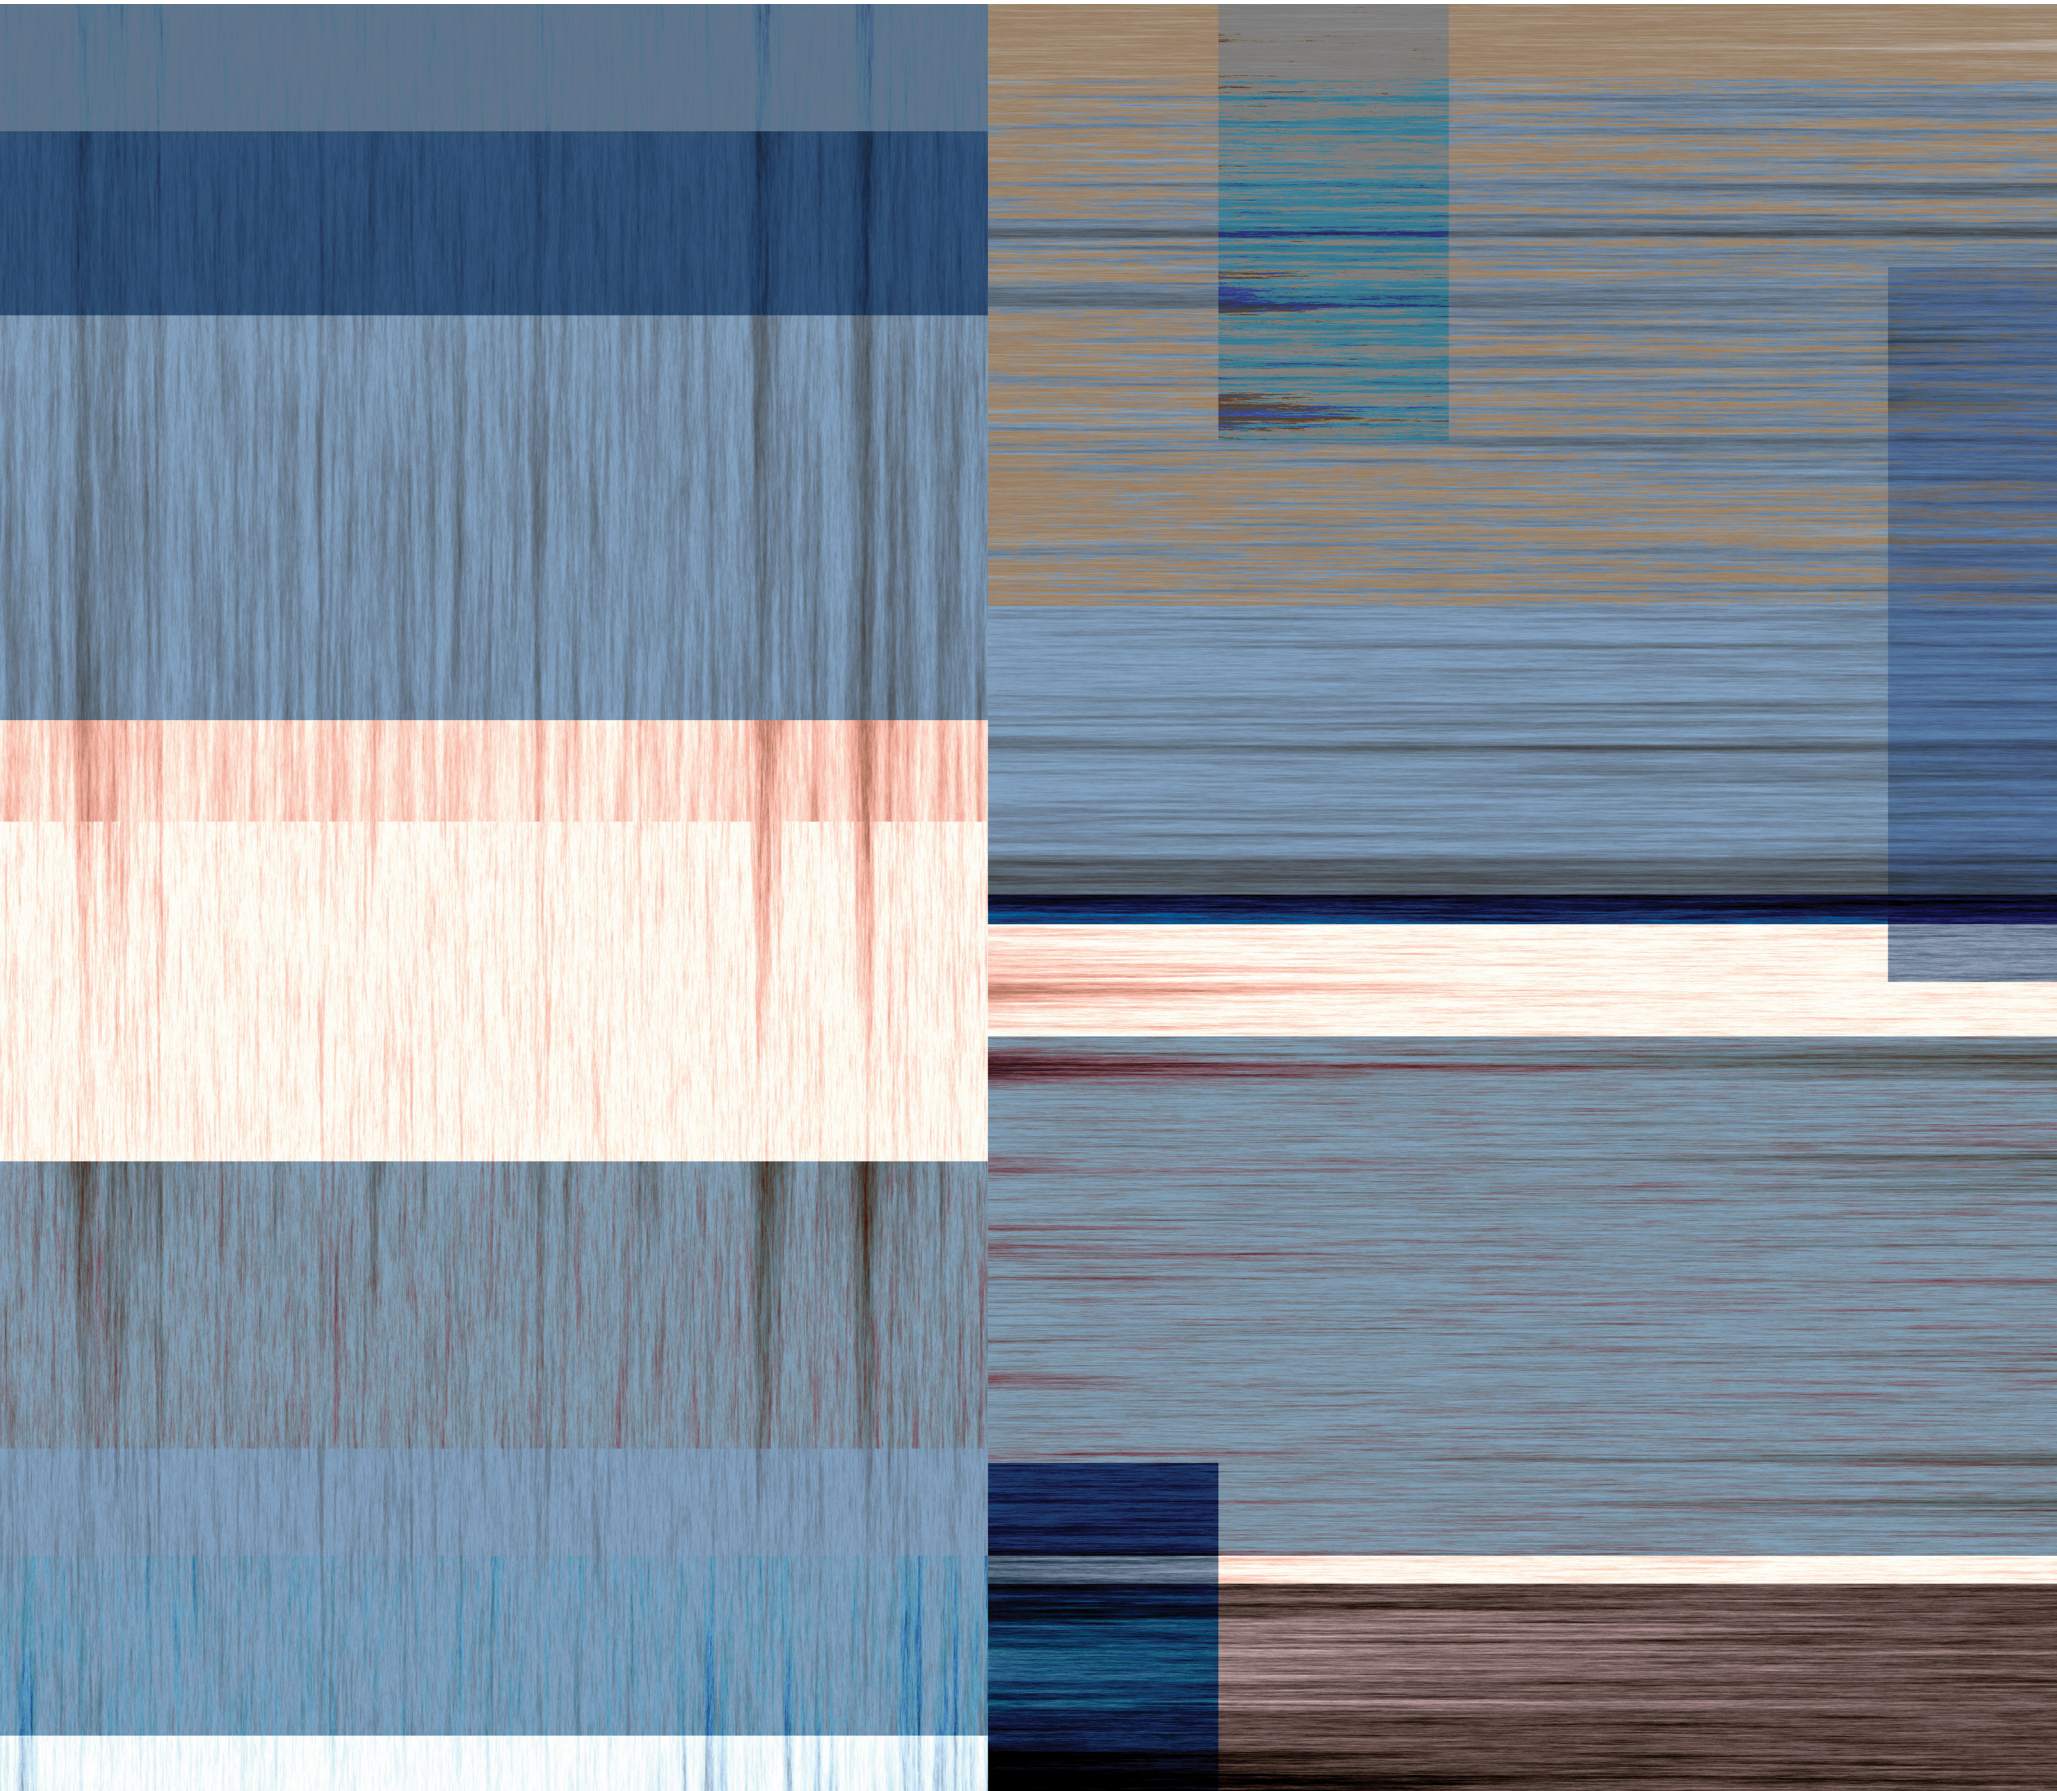

Bringing brand history to the forefront

Textures + Natural Materials

With Acrovyn by Design®, replicating the look of natural textures and materials is easy. Due to their flexibility, natural elements such as tile, aged materials, luxe fabrics, refined textures, and earthy wood tones continue to be a staple in retail and hospitality design.

Hickory Plank

Blue Abstract

A combination of wood texture and colored block pattern makes **Blue Abstract** a striking choice for this hotel's focal wall. **Blue Abstract** compliments the natural elements in this design while gracefully contrasting with a fresh, graphic edge.

Urban Wood

Urban Wood protects this hotel lobby desk from damage while projecting elegance and sophistication. A gorgeous pattern on its own, **Urban Wood** provides soothing balance to the strong feature wall behind it.

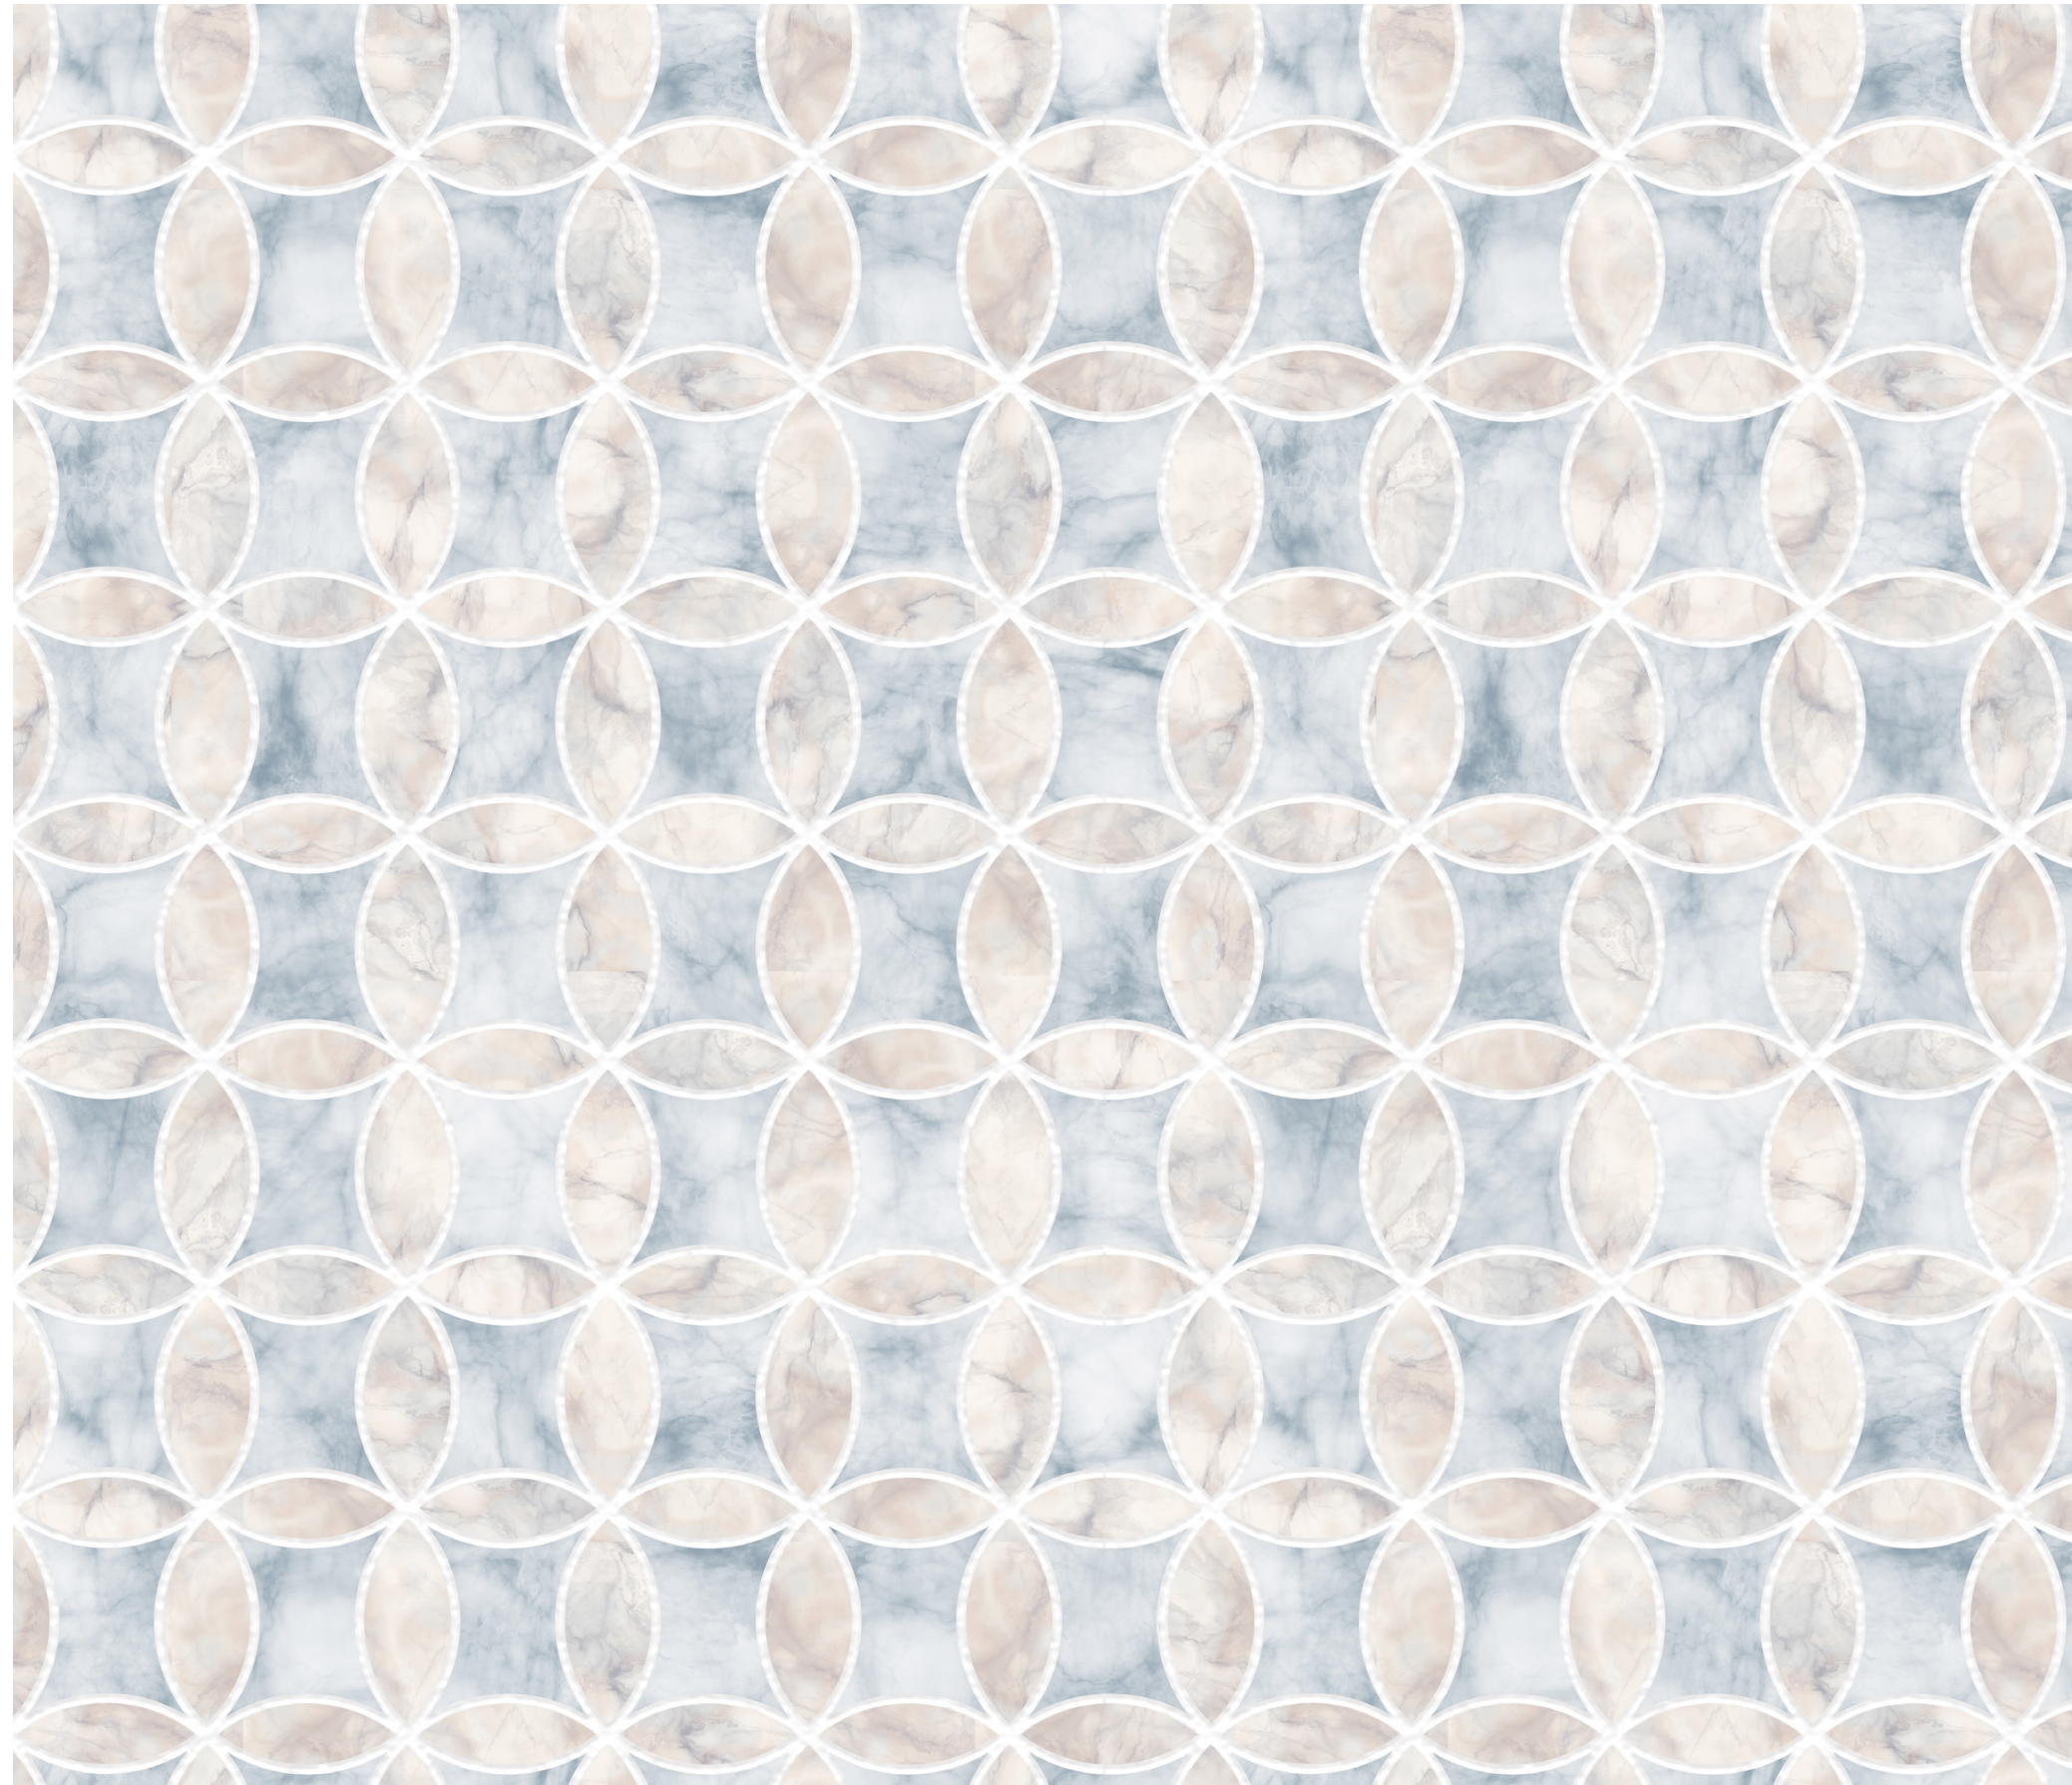

Modern Wood

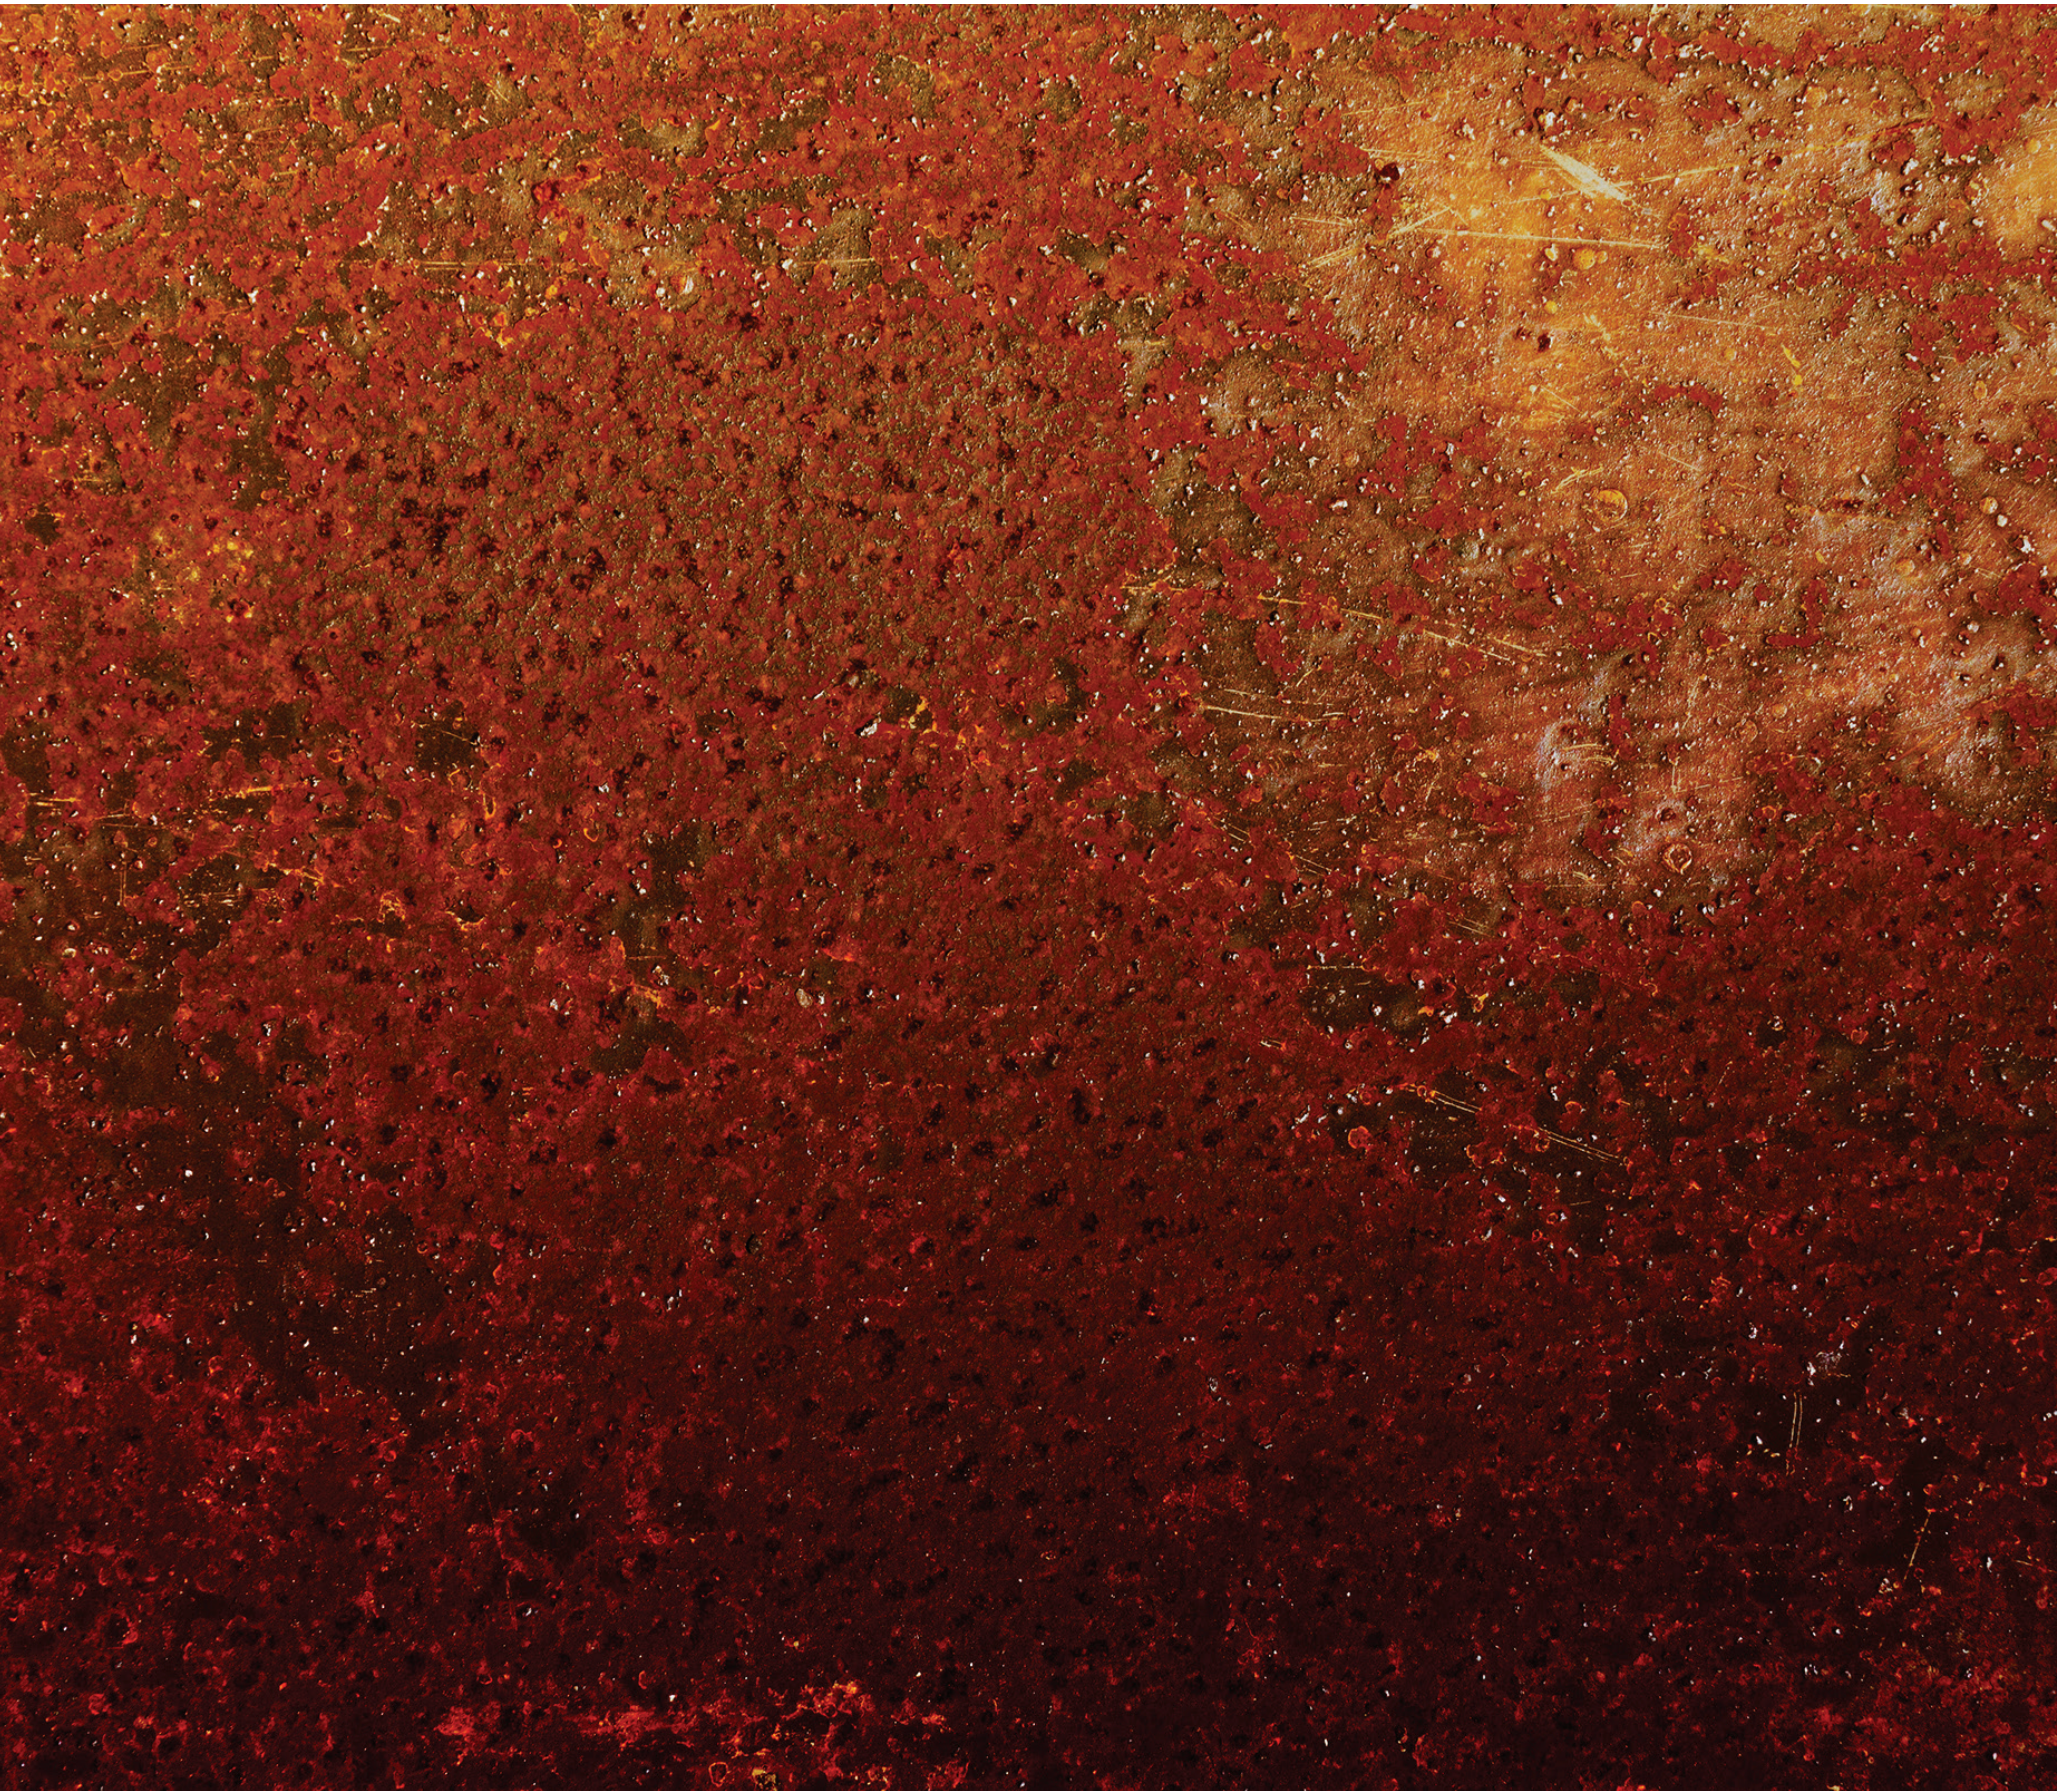

Modern Wood has transformed this bistro into a destination with its natural, modern appearance. **Modern Wood** is a versatile pattern that brings a fresh look to any design scheme.

Duet

Soft yet sophisticated, **Duet** combines two tones of marble stone to make one stylish wall covering design.

Oxidized Metal

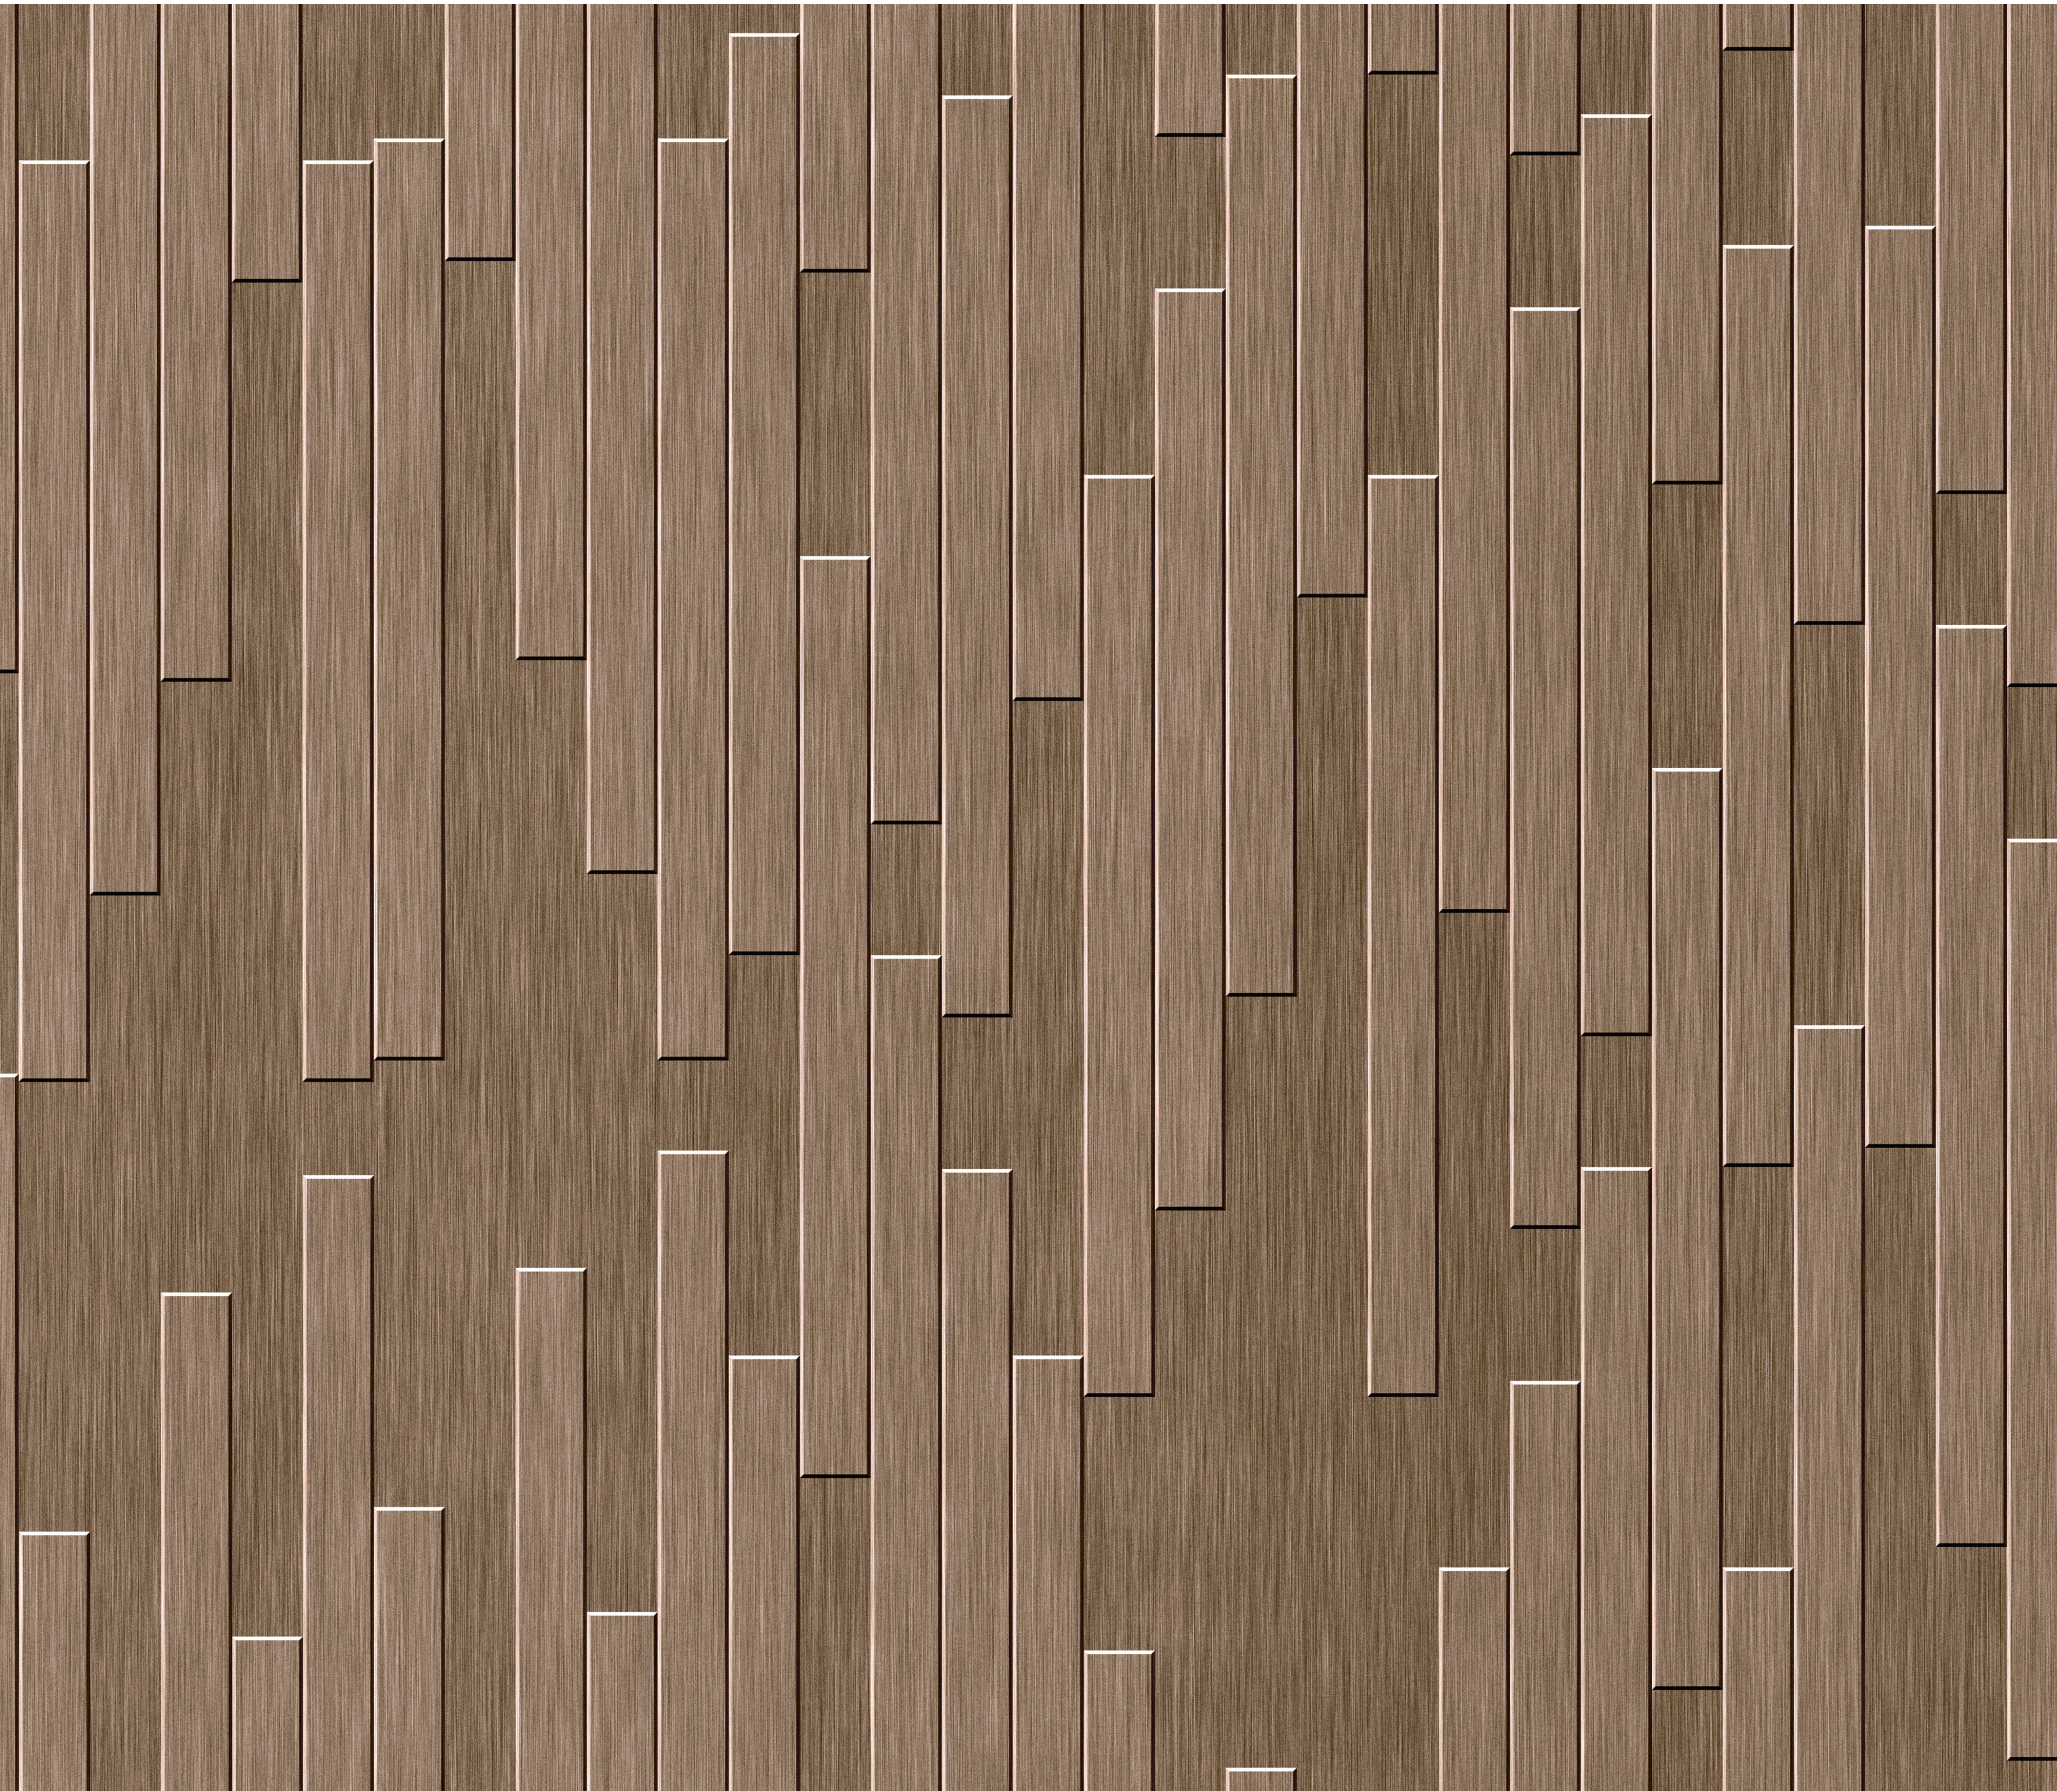

Modern yet rugged imagery gives this youthful jean shop an edge. In addition, Acrovyn by Design® provides added protection against scuffs and collisions behind the counter.

Boulder

Boulder gives this hotel lobby an elegant transformation. Deep textures are revealed from a distance, while the details of this high-resolution photo display a striking design up close.

Abstract Space

Unified by vertical lines and organic palette, **Abstract Space** provides this restaurant with a calming atmosphere and high-impact protection against daily abuse.

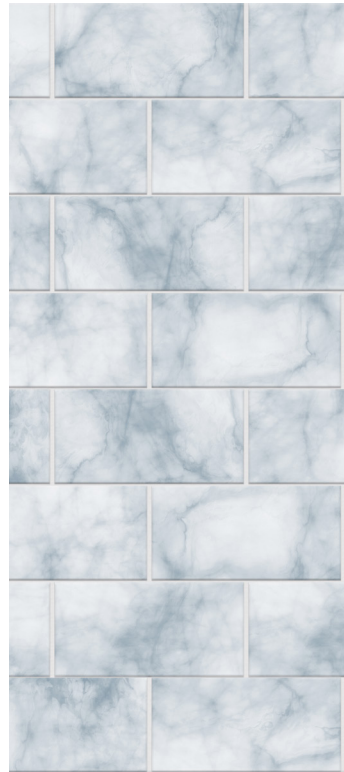

Marble Chevron

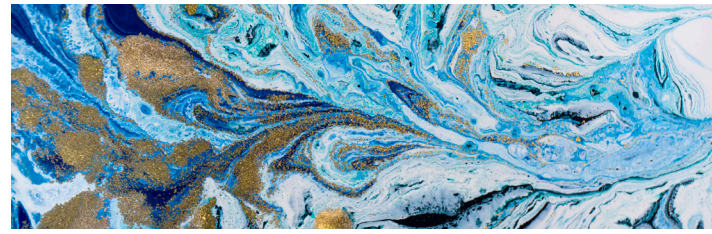

Oceania

Oceania offers a unique take on material replication, infusing the grunge quality of concrete with punches of color for a luxurious aesthetic.

Patterns + Illustrations

Whether your aesthetic leans towards bright and bold or refined and subtle, patterned walls create a fresh appeal for your overall design. Patterns can be used as a focal point, or, if you are feeling adventurous, you can mix complimentary patterns to display a modern charm.

Abstract Flower

Butcher Paper

With Acrovyn by Design®, it's easy to bring a fun and bold graphic into your high-traffic restaurant areas without having to worry about damage or wear.

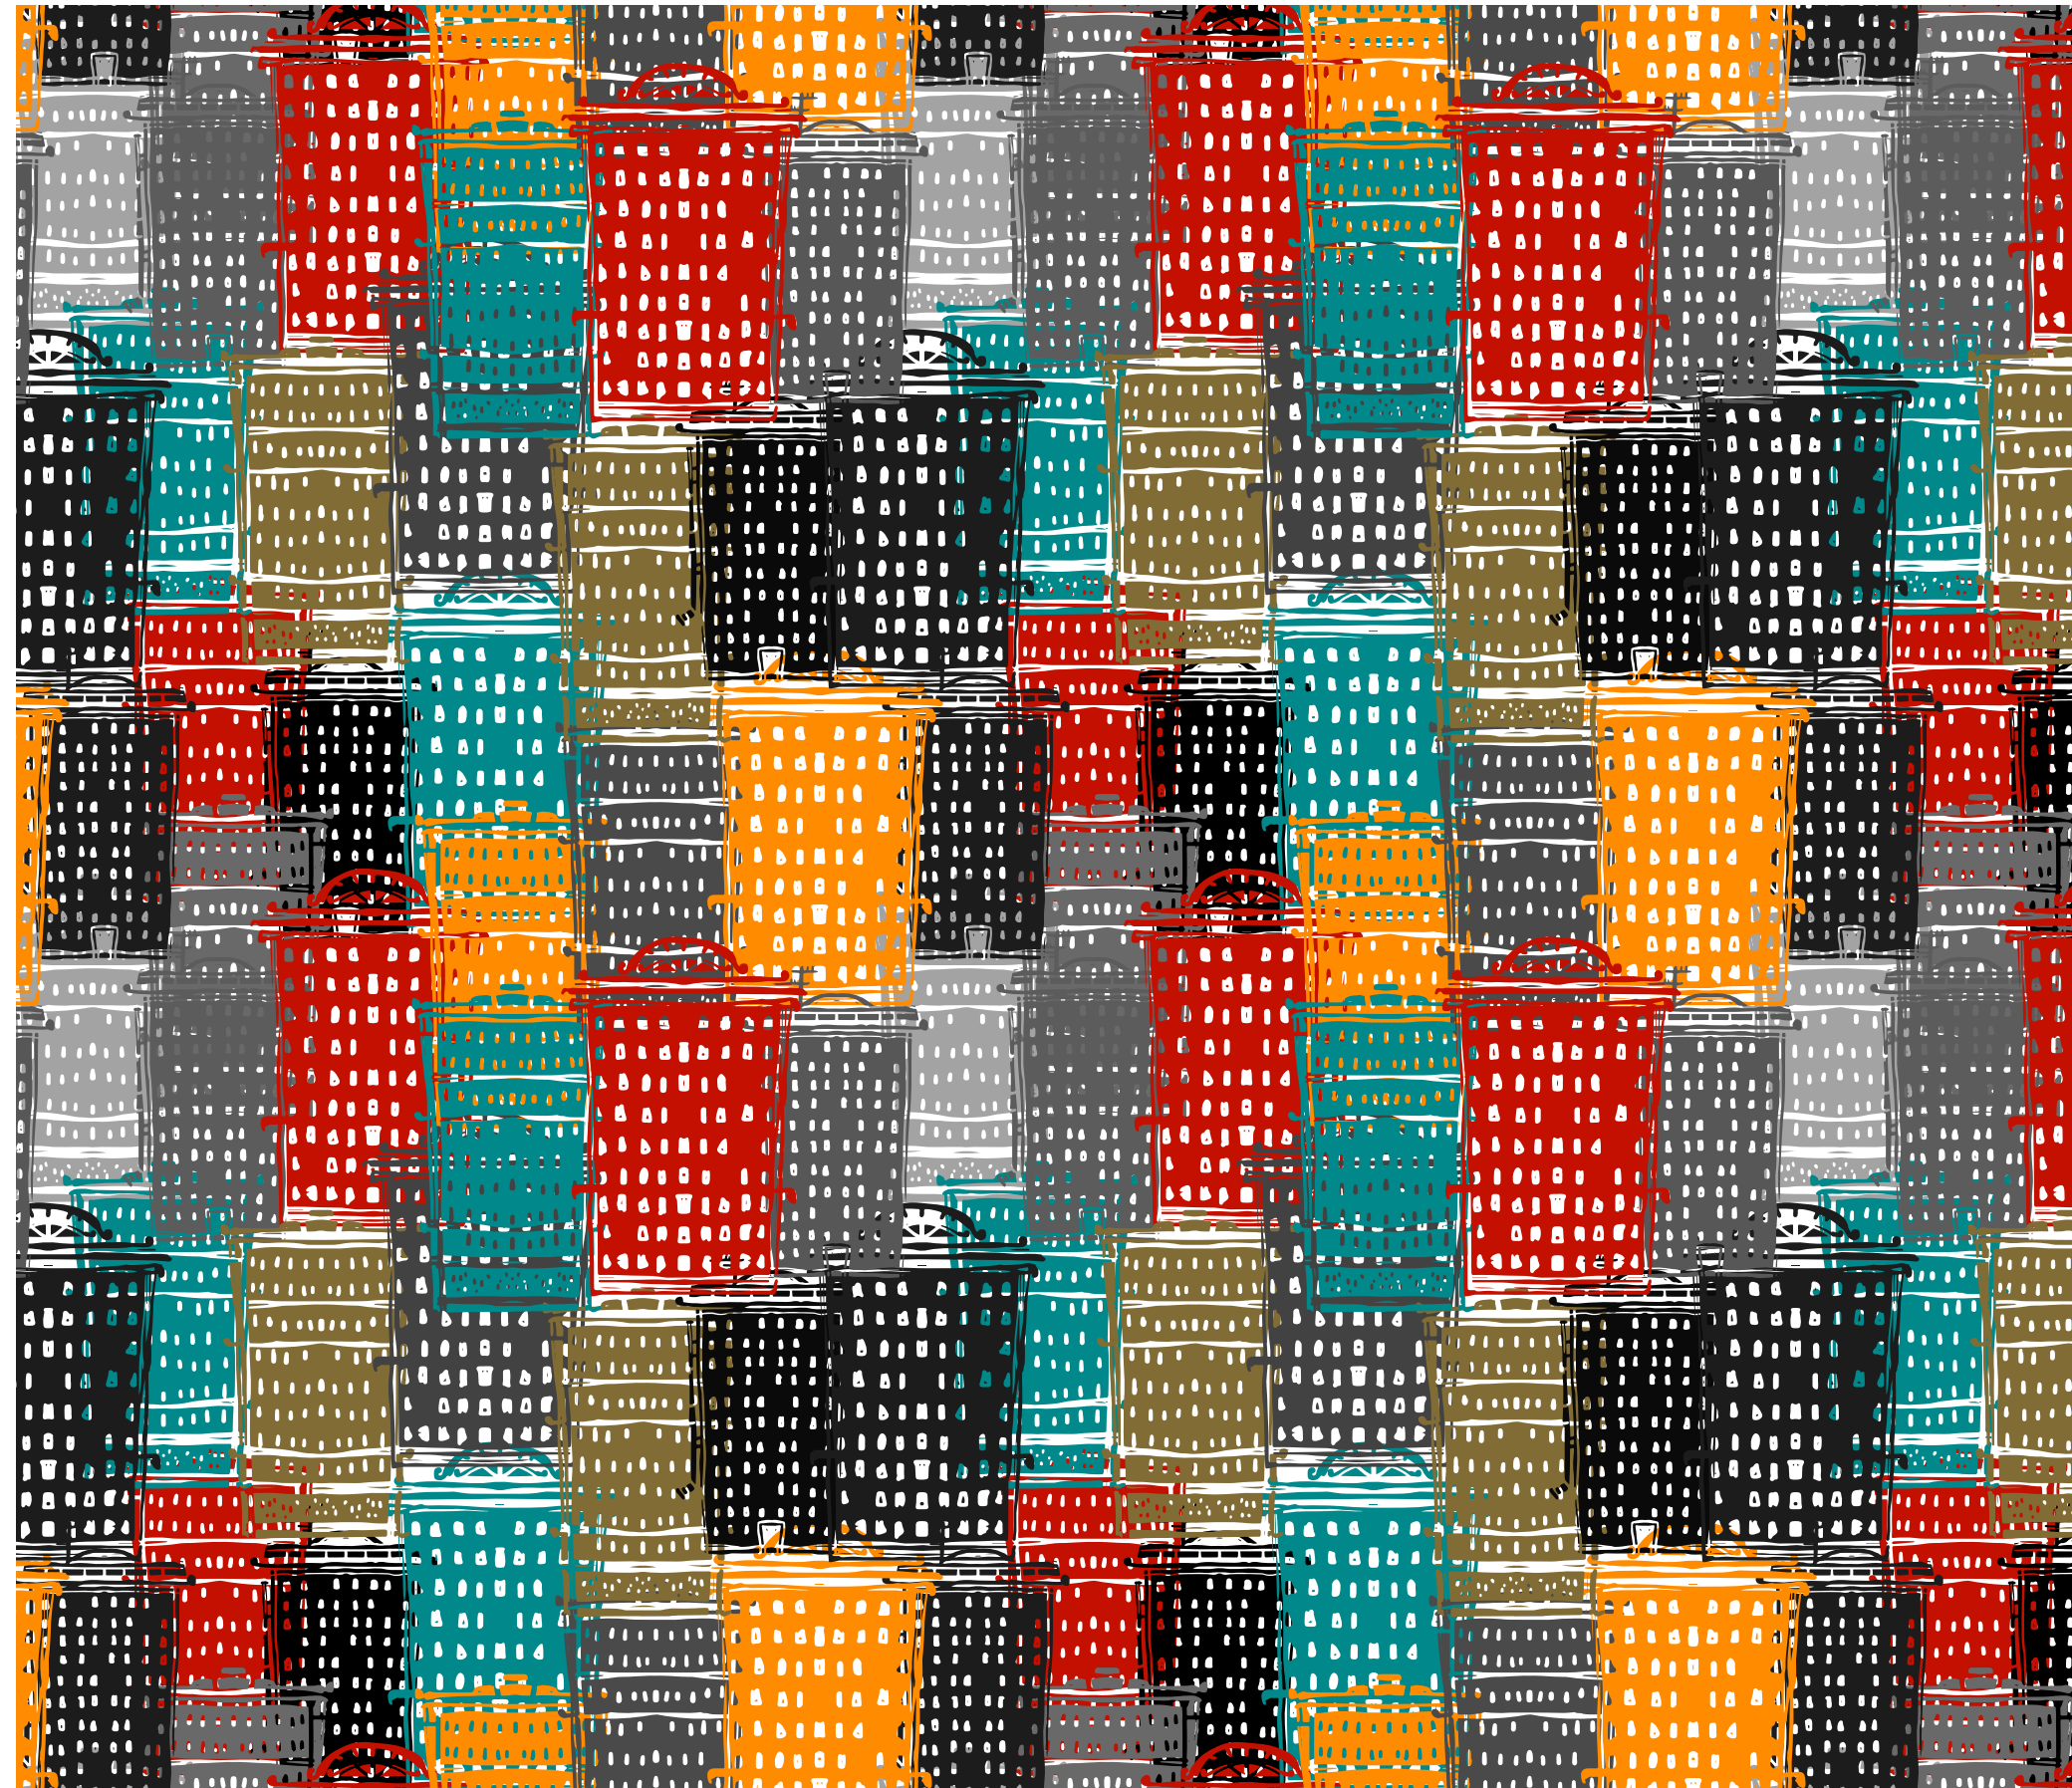

Tangram

Tangram is the perfect design for a modern and minimalistic aesthetic. Acrovyn by Design® provides protection against abrasions, crayons, and more in your restaurant's most frequented areas.

Building

Building's rhythmic lines paired with warm and vibrant colors inspire an enjoyable guest room environment.

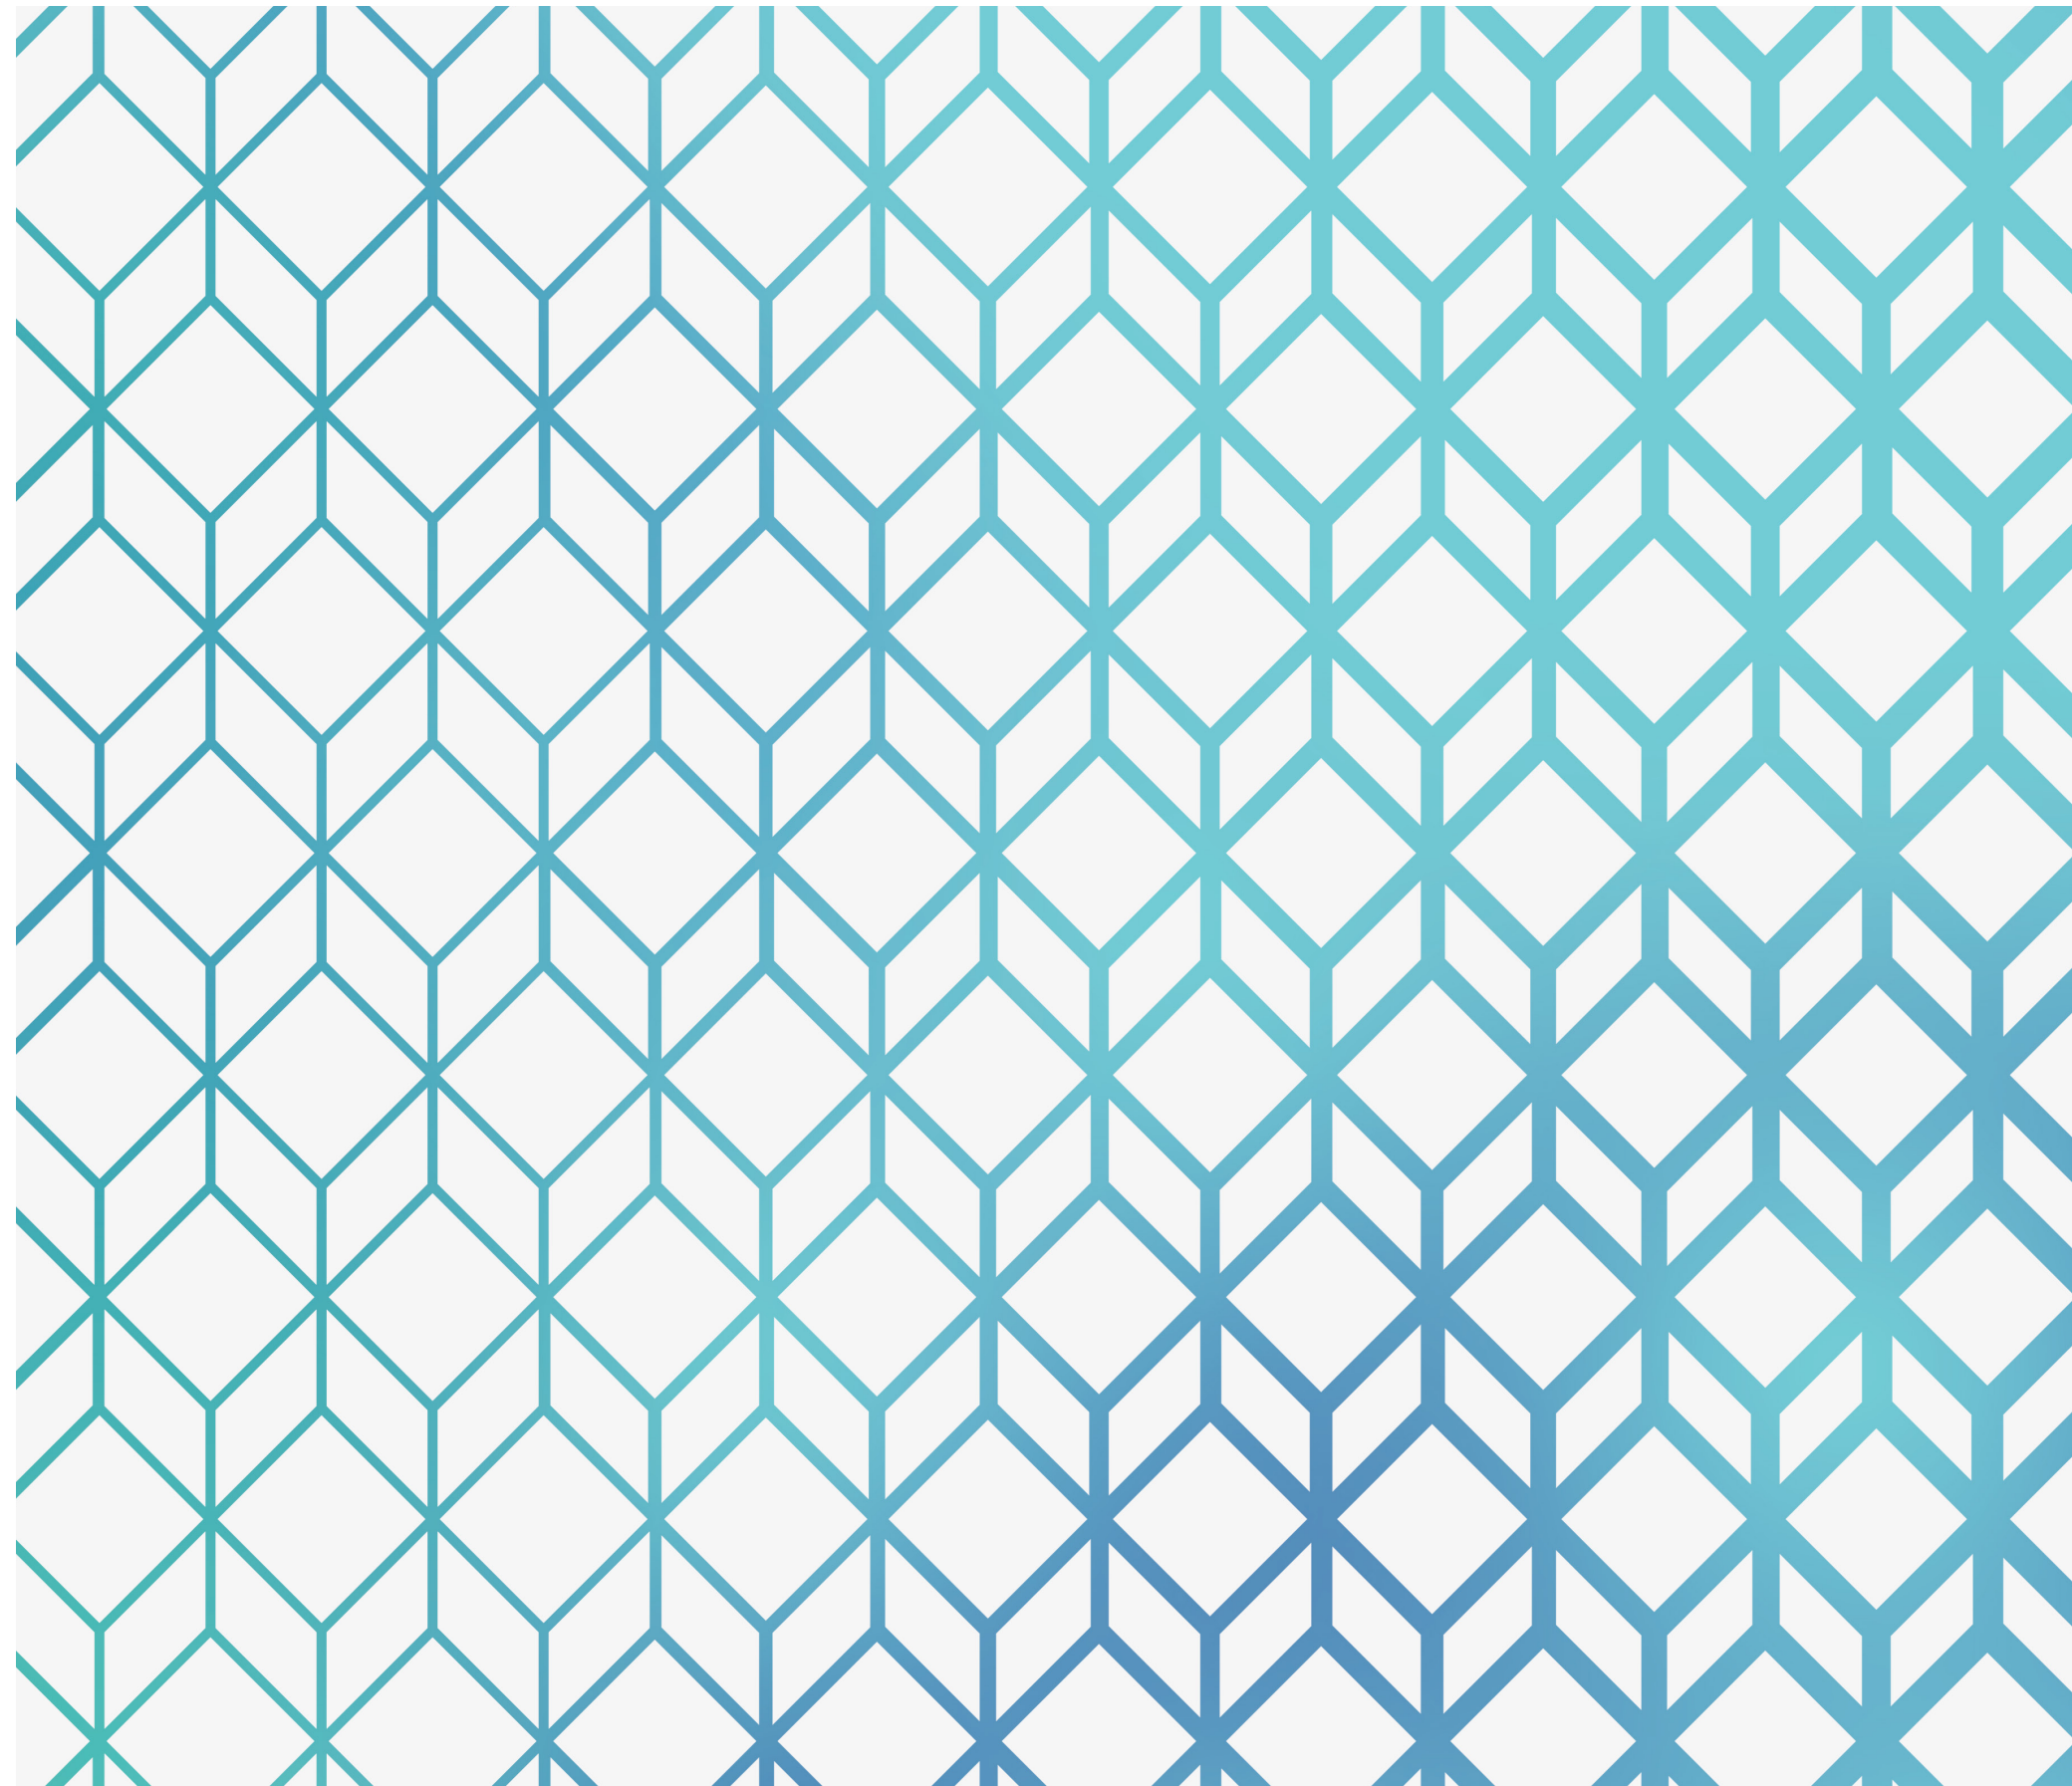

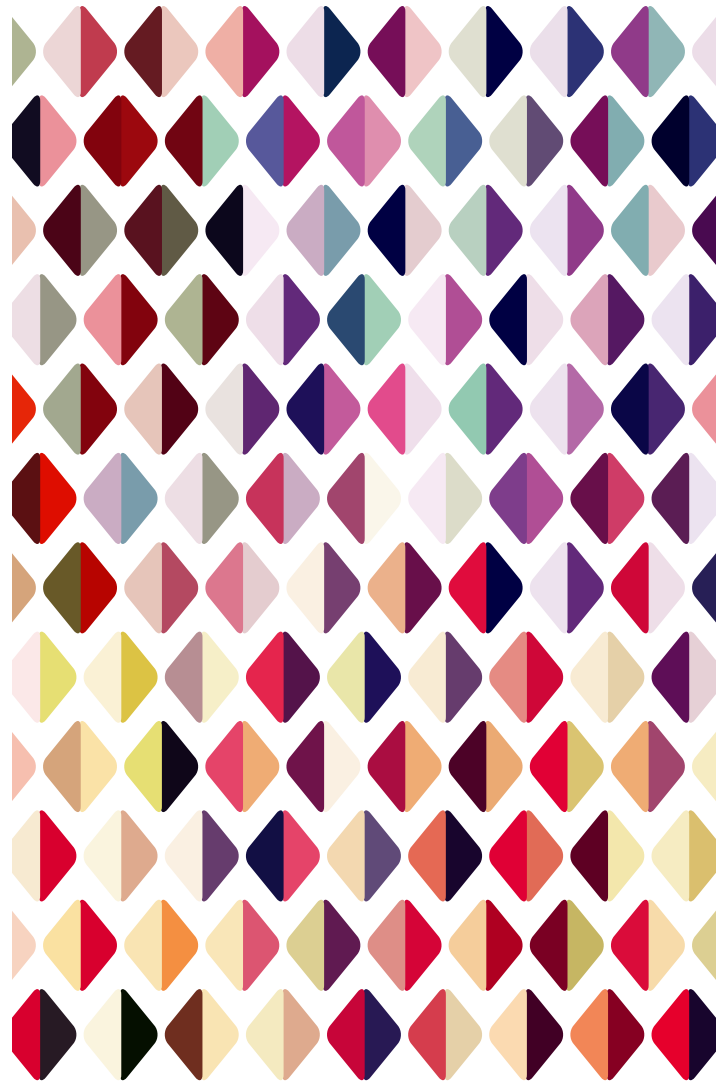

Wash Boards

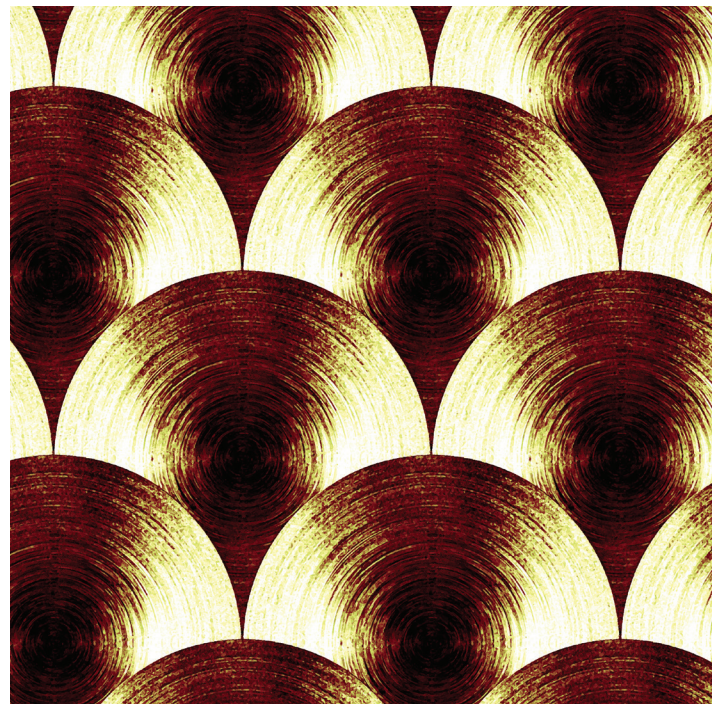

Cubist

Create a vibrant and positive environment in your fitting rooms with Cubist. Acrovyn by Design® is the perfect wall protection solution for areas that are constantly bumped and scuffed.

Photos + Murals

From skylines to sketches, imagery-infused wall coverings are making a powerful impact in today's spaces. Imagery has the transformative power to create a sense of place in your design that is as unique as your brand. For full visual impact, layer on typography or custom messaging.

Natural Produce

Explore

Immerse yourself in **Explore's** artistic vignette. **Explore** couples a watercolor gradient with a pen-sketched cityscape, creating the perfect backdrop for a retail boutique.

Local

With **Local**, it's easy to bring community and culture into your space. **Local** is fully customizable to your liking!

City Nights

City Nights' lively imagery gives this retail space a distinctive look that shoppers can imagine themselves stepping into. It also provides them with a stunning photo backdrop for taking pictures.

Dallas

Nothing Comes Easy

A message of encouragement drives guests to persevere and achieve their fitness goals. Give your guests a positive and inspiring message to associate with your brand.

Mushroom

Mushroom's hearty imagery layered with custom text gives guests a positive mindset while shopping. Promote in-season products and inspire guests to make healthy purchase decisions with custom Acrovyn by Design® graphics.
